2017 BEGINNERS' STRING OUTFITS (IN STORE SALES ONLY, NOT ADULT SIZE)

- **Professionally adjusted** new or good used instruments, teacher approved accessories. Free normal adjustment for two years, accident or negligence excepted, but replace broken or lost strings, accessories etc. at list less 20%.

- **If the beginning student stops in the first year, we will buy back** the outfit (*undamaged, normal wear excepted, less any extra options*) for the purchase price less a monthly rental fee (\$12.50 for small violin or viola, \$15 for 14" violin strung as viola, \$25 for cello, \$45 for bass) for the months used, minimum 2 months.

- **Here is a typical example. If the beginning student continues, trade it in** (*undamaged, normal wear excepted, less any extra options*) within two years after purchase for a similar larger one, *subject to availability*, and we will credit 50% of its purchase price.

But if you trade for a *higher quality adult instrument* the credit is 100%. **Over time, it costs less than typical "monthly" plans.**
