

2009 - Who's who in the Archives & Museum?

St. Boniface Archives & Museum is an ongoing but informal organization We do not really have official titles, each sharing in what needs to be done according to his own abilities. But it is useful and fair to recognize those current members who regularly do more, and whom we could hardly do without. Giving them a title of sorts doesn't mean that's all they do! Here's a short list of the "regulars":

! Evangeline Ripp, Archivist and Librarian ! Carol Zolkoske, Docent and Secretary ! Donald Porter, Historian and Ambassador ! Charlene Pierce, Computer Services and Genealogist ! Rita Young, Francis Hendricks, Tony Beitel, Joe Spenner, Fred Ripp, Fred Schwindt, Regular Committee Members ! Henry Strobel, Coordinator and Web Editor.

! To Vera Boedigheimer, town historian, inspiration, raconteur and friend, we dedicate these Archives today.

! There are many others. Some participated a lot or a little. Some contributed labor, history, artifacts, or doughnuts. Some were welcome guests or seekers. Here they are, alphabetically, at least those remembered in the *Archives Record* (not as guest book signers). If we missed you, or if you'd just like to be included, please add your name below and contact us. Thanks!
