

# What's in the St. Boniface Archives?

by Evangeline Ripp, Archivist, updated January 11,2010

Many kinds of things - books, photographs, paintings, class yearbooks, anniversary celebrations, family and town histories, tapes, CDs, computer resources (parish web pages, digitized tapes, cemetery information, etc.), artifacts (pieces of history, devotional items, statues, vestments, altar and sanctuary items, etc.) Most of these things are from the past, but significant things up to the present may be included - they will become past soon enough.

This will be a library or museum for the future. Your children may come here to study their past. Please consider adding your own information or historical items and volunteer to help. We can't do it without volunteers.

This listing is an overview for visitors and researchers to find things and to browse with, a friendly piece of paper for those who wouldn't want to peer into a computer. Only a small part of the material is on display. The rest is filed and safely stored. Ask to see what you are interested in. This list is divided into Categories, as follows:

<b>BOOKS ON SHELVES</b> - hardboard and larger softbound, histories, larger family histories, class yearbooks, etc .....	2
<b>FAMILY HISTORIES IN FOLDERS IN BOXES OR ON SHELVES</b> - typically text with pictures in binders .....	5
<b>PHOTOS IN FOLDERS IN BOXES OR ON SHELVES</b> - a general resource filed by subject, like period, weddings, graduations, agriculture, family names (but not specific family donations, which are kept together in their own folder below.) .....	6
<b>PHOTOS ON BULLETIN BOARD DISPLAYS</b> - may be <i>temporarily</i> from the PHOTOS IN FOLDERS IN BOXES above to be returned , otherwise should be <i>copies</i> to prevent loss or deterioration .....	6
<b>DONATED FAMILY PHOTOS &amp; RECORDS IN FOLDERS IN BOXES</b> - (may amount to a mini-family history) one of the most important and frequent categories, usually a family donation, kept together in a folder to be easily accessible by family descendants and researchers. These are an especial responsibility .....	6
<b>DOCUMENTS, LARGE</b> - architectural drawings in large boxes or file cabinets, old self-contained parish card files, other documents on wall or in display case etc. ....	7
<b>DOCUMENTS OR EVENTS IN FOLDERS IN BOXES</b> - newspaper clippings, celebrations and changes, dedications, ground breaking, new grotto, etc. ....	7
<b>ARTIFACTS (THINGS)</b> - large and small, wall paintings, free-standing or hanging display items .....	12
<b>CDs, DVDs, AUDIO or VIDEO CASSETTES IN THEIR SPECIAL FILE DRAWERS</b> - may be <i>also</i> on the computer for access or playback but <i>not</i> only on the computer .....	14
<b>COMPUTER</b> -Documents-including THIS ONE-other programs, photo files, etc. They should not be <i>only</i> in the computer .....	14
<b>INTERNET</b> <a href="http://www.saintboniface.net">www.saintboniface.net</a> - Archives, History of Sublimity, etc .....	14

**DONATED ITEMS** - A running "temporary" list of donors. .... 15

Add donors (with the items) at the bottom as donations are made. Give receipts as applicable.

As items are placed in the appropriate category, with the location and donor, they are removed from the donor list. In this simple catalog one item normally appears in only one place. That is, each record or line item will contain all it's information. Some special or composite items (e.g. Vera Boedigheimer's scrapbook) may remain indefinitely in the DONATIONS list pending cataloging or final disposition.

Note that searching for a donor's name will locate in sequence every donation of that donor. Generally, every ITEM (or GROUP of SIMILAR ITEMS) listed in the CATEGORIES should have a LINE containing its TITLE, DATE (Period), DONOR & DATE, and LOCATION, and additional LINE(S) of DESCRIPTION, etc. if appropriate.

**Every time this document is changed it up to a removable disk and store in a safe place!**

- Periodically update the page numbers above.
- Periodically print it and put into a binder for easy reference by visitors and for the record.
- A current copy should be sent annually to the Archdiocesan Archives in Portland. It's also available on [www.saintboniface.net](http://www.saintboniface.net).
