

First Generation

1. "**BRANCH 2**" **STROBEL** Walter Schatz of Nashville wrote about these Strobels. See the pdf in multimedia. **This family tree is primarily from the perspective of our own family (branch 1), descended from Martin Strobel b. 1757, Baden** (and Adam Eberle b. 1804, Trier on the maternal side). However, two additional "Strobels of Southern Indiana" families have been included here. All three came to settle on the Indiana side of the Ohio River, two in the same year and one three years later, all from within a five mile area in Germany and evidently knew each other in Indiana. They are in the family tree index as -

STROBEL, (BRANCH 1; see note) from Obertsrot, Baden to St. Meinrad, Indiana

STROBEL, (BRANCH 2; see note) from Hilpertsau, Baden to Cannelton, Indiana

STROBEL, (BRANCH 3; see note) from Gaggenau, Baden to New Albany, Indiana

These branches are almost certainly related. If you have information on this, please email books@henrystrobel.com

This report is for Branch 2.
